Dear Mr. Honan,

I am requesting a volunteer for St. Albans Community Living Center. This person would deliver wheelchairs to the front of the building near the police booth from the back of the Primary Care Clinic in the Rotunda Area whenever a veteran needs one due to his or her disability to walk to their appointment.

Our desire is to have wheelchairs and a volunteer to help create a more satisfied customer service for the veterans.

If you could submit a name of a volunteer who would be willing to help us with this endeavor, we would be greatly appreciated.

Please feel free to contact me at 718 526-1000 X 8575 with any questions.

Thank you,

DENISE HINTON
